If journalism
is good it is
controversial
by its nature

WIKILEAKS EDITOR JULIAN ASSANGE

WIKILEAKS VAULT 7 PUBLICATION

The CIA developed hacking tools to infect cars, smartphones, computers & other devices with viruses & spyware

This arsenal of cyber tools & hacking programs cost billions
CIA lost control of them then tried to cover up the loss

They even created tools to hack

Samsung smart TVs, turning them into CIA bugs for recording & monitoring conversations

U.S. GOVERNMENT BACKLASH

Assange has no first amendment rights
The CIA is working to take down WikiLeaks

FORMER CIA DIRECTOR MIKE POMPEO

Assange's arrest is a priority

US ATTORNEY GENERAL JEFF SESSIONS
